A

ABC-CLIO E-books

A catalog of primary source material, collateral readings, and commentary for understanding the historical, social, and cultural contexts associated with major literary works. Each sourcebook includes timelines, study questions, teaching resources, and glossaries. Formerly Literature in Context.

ABI/INFORM Collection

Supports Big Data and Analytics Research Cluster. A searchable collection of business and management publications with journals, dissertations, working papers, business newspapers, trade publications, and industry-focused data. Topics include: economic conditions, corporate strategy, management theory, accounting, finance, and business trends.

[Click here for a guide to this database](#)

Academic Video Online (AVON)

Supports Multiple Research Clusters. An extensive, searchable collection of academic videos ranging many disciplines. A good general reference starting point for research. Topics include: anthropology, business, counseling, film, health, history, and music among others. Formats include documentaries, interviews, performances, news programs and newsreels.

CORAL

The logo for CORAL features the word "CORAL" in a blue, serif font. Below the text are three stylized, overlapping green wavy lines that resemble coral or waves.

Thank you!
